anyone and everyone

is invited to host a core gathering this season

The greatest form of ministry we will ever have as a body of believers will be accomplished through relationship. The developing and nurturing of relationships is one of our key values as a church here at CLC. During this next Core Season - ***you*** have the opportunity to advance your relationships with those here in our family and also, perhaps others that are yet to be a part of this family.

having lead a core or contact group previously is not a requirement, nor is being a member of CLC. If you consider this your church family, whether new or you have attended here for years we invite you to host two gatherings during this season! Get to know your family.

invite two or three (individuals/couples/families) **-have them each invite someone** with whom they would like to connect. If you like, make your own invitation list.

make it as big or small as you like, as casual or fancy as you have time for.

if you're ready to host, start here...

begin by selecting the dates and completing the registration card. Drop it in the offering or by the church office.

make of a list of those with whom you desire to connect or reconnect -it is not necessary to invite the same people to both gatherings.

brainstorm, plan, and prepare your two Core Gatherings.

have a GREAT time and return mail to us the evaluation form that will be sent to you upon registration.

we also have two Bible study groups running this season...
